

## **What our Clients Need to Know About Recording Fees in Utah Scheduled for Release on April 19, 2019:**

### **Recording Fees in Utah**

Effective May 14, 2019, for all counties, we will update the recording fees to reflect the flat charges introduced by Utah's House Bill (HB) 247 and remove the question "Document is non-standard" and its related fee "Non-standard page fee", "Document is RESPA compliance" and its related fee "RESPA document fee", "Number of documents referenced" and its related fee "Document reference fee", "Number of lots/parcels" and its related fee "Lot/parcel fee", "Number of names" and its related fee "Excess name fee", and "Number of pages" and its related fees "Document page fee". Our system will be updated on April 19, 2019.
