**CLOSINGCORP'S CHIEF TECHNOLOGY OFFICER, DAN MUGGE
NAMED ONE OF THE 2020 HOUSINGWIRE TECH TRENDSETTERS**

SAN DIEGO, December 8, 2020 – [ClosingCorp](https://www.closingcorp.com), a leading provider of residential real estate closing cost data and technology for the mortgage and real estate services industries, today announced that Dan Mugge, chief technology officer, has been named one of the 2020 HousingWire Tech Trendsetters.

The annual HousingWire Tech Trendsetters Award recognizes 50 product and technology executives who have been indispensable in bringing tech solutions to market for the housing industry. Similar to the HousingWire Tech100, which honors the most 100 most innovative companies in mortgage and real estate tech, Tech Trendsetters recognize the people that drive innovation for their mortgage and real estate clients.

Dan was recognized for his role in growing the company's flagship product's, ClosingCorp Fees, market share to more than 30% and the successful completion of the WestVM order management technology platform acquisition. Since the completion of the acquisition, Dan has been able to smoothly integrate the newly acquired technology, now called ClosingCorp Order Management, into the company's overall product suite. With Mugge at the helm, the company's overall client base has grown to include more than 400 lenders, including 18 of the top 25 largest banks and mortgage companies as well as 18 of the top 20 wholesale lenders.

"Our Tech Trendsetters Award recognizes a group of leaders who were critical to the outstanding performance of housing and real estate during this pandemic, finding innovative solutions when everything changed on a dime," said HousingWire editor in chief Sarah Wheeler. "We're very proud to celebrate their achievements and honor the impact they've had at such a crucial time."

“I’m honored to be recognized by HousingWire as one of this year’s Tech Trendsetters,” said Mugge. “This award is ultimately a testament to the talented ClosingCorp team and their continued efforts which have directly impacted our tremendous growth.”
