

Product Release Notes June 17rd, 2021:

Order Management Updates:

SUPPRESS PASSWORD E-MAIL WHEN SSO NON-ENCOMPASS AND COMBINE WITH BLOCK CHANGE

ClosingCorp made updates Order Management so that clients can suppress the email sent to the users, preventing them from creating a second unnecessary password to access Order Management.

ENHANCE INVOICE UI – ADD PAID BY ENTITY

ClosingCorp has made updates to Order Management, so that Brokers and lenders have the ability to select who is paying for the Appraisal fee prior to generating a payment link.

ADDING NEW APPRAISAL PRODUCTS PART 2 – PRICING TABLE

Made updates to Order Management so that below listed products can be added to the pricing table.

- 2000A
- Construction Draw Inspection
- Jumbo/Non-Agency
- 1025 USDA
- 1073 USDA
- 1004C FHA

To take advantage of this feature, contact Support@Closing.com or designated Account Manager.
