**CLOSINGCORP NAMED ONE OF SAN DIEGO BUSINESS JOURNAL'S
FASTEST-GROWING PRIVATE COMPANIES**

SAN DIEGO, Calif., July 25, 2017 – [ClosingCorp](#), a leading provider of residential real estate closing cost data and technology for the mortgage and real estate services industries, today announced that it has been named one of San Diego Business Journal's Fastest-Growing Private Companies in San Diego County. ClosingCorp ranked #23 on the list of 100 companies.

The 14th Annual San Diego Business Journal's Fastest-Growing Private Companies recognizes the top 100 locally-based, privately-held emerging growth companies. To be considered for this listing, organizations were required to be in business the entire year of 2014 and have generated revenues in excess of \$350,000, the starting point for their comparison. Each company's 2014, 2015 and 2016 financial information was then extensively analyzed and verified by independent certification. Businesses were required to be San Diego County-based, independent and privately held; and not a division or subsidiary of another organization, public or private.

This year, hundreds of organizations were evaluated. The rankings were announced at an exclusive invitation-only reception, held on Thursday, July 13, at Paradise Point Resort & Spa in San Diego.

"We're honored to be included on San Diego Business Journal's 100 Fastest-Growing Private Companies," said Bob Jennings, chief executive officer of ClosingCorp. "It speaks volumes about the service and value our company provides to not only the mortgage industry, but also our local community."
