**CLOSINGCORP'S GERARDO CACERES NAMED ONE OF
THE 2017 HW INSIDERS**

SAN DIEGO, Calif., September 6, 2017 – [ClosingCorp](http://ClosingCorp.com), a leading provider of residential real estate closing cost data and technology for the mortgage and real estate services industries, announced today that Gerardo Caceres, senior vice president, Data Operations & Product Management, has been named one of the 2017 HW Insiders.

The 2nd annual HW Insiders Award recognized 33 mortgage professionals who have made outstanding contributions to the success of their companies and the housing industry as a whole. The Insiders are the “go-to” team members in their companies and represent a wide range of occupations within the housing industry, from lending and servicing to investments and real estate. HW’s 2017 Insiders were carefully selected by HousingWire’s editorial board based on their vital and dynamic contributions to their companies.

Caceres was recognized for his role in driving the overall strategic direction and tactical execution of the company’s entire product suite, as well as enhancing its data and information management strategy. Caceres has focused the company on achieving operational excellence and introduced a disciple program across operations to focus on quality and on-time delivery. He has also made significant strides in securing additional data assets to enhance the existing user experience of ClosingCorp’s lender customers while laying the foundation for future products and analytics.

“The scale of our Insiders award this year is impressive with both its breadth and depth,” said Jacob Gaffney, HousingWire Editor-in-Chief. “The talent on display here is

unmistakable and the scope of the work our winners do day-in and day-out is a testament to their accomplishments. It's an honor for HousingWire to publish this award.”

“Gerardo is an experienced leader with an outstanding record of exceeding client expectations,” said Bob Jennings, CEO of ClosingCorp. “Gerardo’s contributions have directly impacted our continued growth and success this past year. We are extremely proud of all his success and his recognition from HousingWire.”
